

American Red Cross

MAY PROMOTION

10-20% Discount on all OSHA Compliance

Training-Renewals-Supplies

- 1) **American Red Cross OSHA Compliance Training, Renewals and Supplies:** CPR, AED, Bloodborne Pathogens, First Aid includes Renewals, Multiple Site discounts and all AED/First Aid supplies.
- 2) **Flexibility** OSHA-compliant programs tailored to fit your company's needs, including customizable add-on modules. High-quality training at your facility, training at a Red Cross location or a blend of online and in-person training.
- 3) **OSHA Compliant** The Red Cross works in alliance with OSHA (directive # CPL 2-2.53). OSHA guidelines specifically reference the American Red Cross training osha.gov/dcsp/alliances/red_cross/red_cross.html.

When you choose American Red Cross programs for your training needs, you are not only choosing the premier provider of health and safety training, but you are also making a positive investment in your community. Each and every day they respond to local disasters, deliver preparedness, health and safety education and training, supply blood, and connect members of the military and their families.

Meridian HSN is an American Red Cross National Account Manager and Provider site and has been for over 17 years. As a National Account Manager, we insure companies are maximizing savings and avoiding administrative headaches in accessing the American Red Cross' full suite of programs and services. *Orders for training may be placed for up to 90 days in advance under this promotion.*
